1 PROSPECTUS OF THE HURLINGHAM FUND

The Company is an investment company with variable capital incorporated with limited liability and registered in England and Wales under registered number IC000421. It is a non-UCITS retail scheme as defined in COLL, and also an umbrella company for the purposes of the OEIC Regulations.

This document constitutes the Prospectus for THE HURLINGHAM FUND, which has been prepared in accordance with COLL.

This Prospectus is dated, and is valid as at 5th January 2006.

Copies of this Prospectus have been sent to the FSA and the Depositary. No person has been authorised by the Company to give any information or to make any representations in connection with the offering of Shares other than those contained in the Prospectus and, if given or made, such information or representations must not be relied on as having been made by the Company. The delivery of this Prospectus (whether or not accompanied by any reports) or the issue of Shares shall not, under any circumstances, create any implication that the affairs of the Company have not changed since the date hereof.

The distribution of this Prospectus and the offering of Shares in certain jurisdictions may be restricted. Persons into whose possession this Prospectus comes are required by the Fund to inform themselves about and to observe any such restrictions. This Prospectus does not constitute an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation.

The Depositary is not a person responsible for the information contained in this Prospectus and accordingly does not accept any responsibility therefore under COLL or otherwise.

Shares in the Company are not listed on any investment exchange.

Potential investors should not treat the contents of this Prospectus as advice relating to legal, taxation, investment or any other matters and are recommended to consult their own professional advisers concerning the acquisition, holding or disposal of Shares.

The provisions of the Company's Instrument of Incorporation are binding on each of its Shareholders (who are taken to have notice of them).

This Prospectus has been approved for the purpose of section 21 of the Financial Services and Markets Act 2000 by Premier Portfolio Managers Limited.

This Prospectus is based on information, law and practice at the date hereof. The Company is only bound by the latest version of its prospectus and therefore, before relying on any information contained in this document, investors should check with the ACD that this is the most recently published Prospectus.

3 DETAILS OF THE COMPANY

The Company is an investment company with variable capital incorporated in England and Wales under registered number IC000421 and authorised by the FSA with effect from 29 November 2005.

There was an initial offer period from 19th December 2005 to 4th January 2006 with the Fund being launched on 5th January 2006.

Shareholders of the Company are not liable for the debts of the Company.

The Head Office is Eastgate Court, High Street, Guildford, Surrey GU1 3DE, which is the address in the United Kingdom for service on the Company of notices or other documents required or authorised to be served on it.

Base Currency - The base currency of the Company is sterling.

The maximum size of the Company's share capital is £100,000,000,000 and the minimum size is £1,000.

Operation of the Company is governed by the OEIC Regulations, COLL, the Company's Instrument of Incorporation and this Prospectus.

4 THE STRUCTURE OF THE COMPANY

4.1 THE FUNDS

The Company is a non-UCITS retail scheme which is structured as an umbrella Company so that different Funds may be established from time to time by the ACD with the approval of the FSA and the agreement of the Depositary. On the introduction of any new Fund or Class, a revised prospectus will be prepared setting out the relevant details of each Fund or Class.

Each Fund would be a non-UCITS retail scheme if it were a stand alone fund directly authorised by the FSA.

The assets of each Fund will be treated as separate from those of every other Fund and will be invested in accordance with the investment objective and investment policy applicable to that Fund. Details of the Funds, including their investment objectives and policies are contained on page 7.

Each Fund has a specific portfolio of assets to which that Fund's assets and liabilities are attributable. So far as the shareholders are concerned, each Fund is treated as a separate entity.

Creditors of the Company may nevertheless look to all the assets of the Company for payment regardless of the Funds in respect of which that creditor's debt has arisen. Assets may be reallocated to and from other Funds if it is necessary to do so to satisfy any creditor proceeding against the Company. This is generally referred to as "contagion". In the event that any assets are so reallocated, the ACD will advise Shareholders in the next succeeding annual or half yearly report to Shareholders.

Each Fund will be charged with the liabilities, expenses, costs and charges of the Company attributable to that Fund and within the Fund charges will be allocated between Classes in accordance with the terms of the issue of such Shares or such Classes. Any assets, liabilities, expenses, costs or charges not attributable to a particular Fund may be allocated by the ACD in a manner which is fair to the Shareholders generally but they will normally be allocated to all Funds pro-rata to the value of the net assets of the relevant Funds. The Company does not intend to acquire gold, immovable or tangible moveable property.

Subject to the terms set out in this Prospectus, holders of shares in a Fund are entitled to receive the net income derived from the Fund and to redeem their shares at a price linked to the value of the property of the Fund. Shareholders do not have any proprietary interest in the underlying assets of the Fund.

4.2 SHARES

Four Classes of Shares may be issued in respect of each Fund:

- Net Accumulation Shares;
- Gross Accumulation Shares;
- Net Income Shares; and
- Gross Income Shares.

The Shares currently available in respect of each Fund are set out in the details relating to each Fund on page 7.

Holders of Net Income shares are entitled to be paid the income attributed to such Shares on the relevant interim and annual allocation dates. In the case of Accumulation Shares, net income is not distributed but retained and accumulated for the benefit of Shareholders and this is reflected in the price of such Shares.

Each Class of Share may attract different charges and expenses and so monies may be deducted from Classes in unequal proportions. In these circumstances the proportionate interests of the Classes within a fund will be adjusted accordingly.

Shareholders are entitled (subject to certain restrictions) to switch all or part of their Shares in a Class or a Fund for Shares in another Class within the same Fund or for Shares of the same or another Class within a different Fund. Details of this switching facility and the restrictions are set out on page 9.

The Company offers a regular savings facility.

4.3 INVESTMENT OBJECTIVES, POLICIES AND OTHER DETAILS OF THE FUNDS

Investment of the assets of each of the Funds must comply with the COLL rules as they relate to non-UCITS retail schemes, and the Investment objective and policy of the relevant Funds. Details of these investment objectives and policies are set out below. The eligible securities markets and eligible derivatives markets on which the Funds may invest are set out in Appendix 1. A detailed statement of the general investment and borrowing restrictions and the extent to which the Company may invest in derivatives is set out in Appendix 2.

A typical investor in the Company will understand the risks involved in investing in Shares in a non-UCITS retail scheme, and the associated risks which are set out in detail on page 17. A typical investor will either be an institutional investor or will be an individual who will have received advice from an authorised Financial Adviser.

The Funds are not permitted to acquire immovable or tangible moveable property.

As the Company was launched on 5th January 2006 and is therefore less than 12 months old, no historical performance data is available.

5 HURLINGHAM MANAGED INCOME PORTFOLIO

5.1 INVESTMENT OBJECTIVE

To provide income together with some long term capital growth from a portfolio of investments.

5.2 INVESTMENT POLICY

The Fund will achieve this by investing in units in collective investment schemes, and may also invest in equities, fixed interest securities, money market instruments and warrants.

5.3 LAUNCH DATE

5th January 2006.

5.4 CLASSES OF SHARE AVAILABLE

Net Income Shares and Net Accumulation Shares, Gross Income Shares and Gross Accumulation Shares.

6 HURLINGHAM MANAGED GROWTH PORTFOLIO

6.1 INVESTMENT OBJECTIVE

To provide long term capital growth from a portfolio of investments.

6.2 INVESTMENT POLICY

The Fund will achieve this by investing in units in collective investment schemes, and may also invest in equities, fixed interest securities, money market instruments and warrants.

6.3 LAUNCH DATE

5th January 2006.

6.4 CLASSES OF SHARE AVAILABLE

Net Accumulation Shares, Net Income Shares, Gross Accumulation Shares and Gross Income Shares.

7 BUYING and SELLING

The dealing office of the ACD is open from 9.00 am until 5.30 pm on each Dealing Day to receive requests for the issue, redemption and switching of Shares.

7.1 BUYING SHARES

Procedure

Shares can be bought either by sending or faxing a completed application form to Premier Portfolio Managers Ltd, 9th Floor, 50 Bank Street, Canary Wharf, London E14 5NT or by telephoning 0845 605 6363 or faxing 0207 762 8489 or by electronic means acceptable to the ACD. Application forms may be obtained from the above address.

Subject to its obligations under COLL, the ACD has the right to reject, on reasonable grounds relating to the circumstances of the applicant, any application for Shares in whole or part, and in this event the ACD will return any money sent, or the balance of such monies, at the right of the applicant.

Any subscription monies remaining after a whole number of Shares have been issued will not be returned to the applicant. Instead, smaller denomination Shares will be issued in such circumstances. A smaller denomination Share is equivalent to one thousandth of a larger denomination Share.

Remittances should be in pounds Sterling.

Other currencies will only be acceptable at the ACD's discretion.

7.2 DOCUMENTS THE PURCHASER WILL RECEIVE

A contract note giving details of the Shares purchased and the price used will be issued by the end of the business day following the later of receipt of the application to purchase Shares or the valuation point by reference to which the purchase price is determined, together with, where appropriate, a notice of the applicant's right to cancel.

Settlement is due on receipt by the purchaser of the contract note.

Share certificates will not be issued in respect of Shares. Ownership of Shares will be evidenced by an entry on the Company's Register of Shareholders. Statements in respect of periodic distribution on Shares will show the number of Shares held by the recipient. Individual statements of a Shareholder's (or, when Shares are jointly held, the first-named holder's) Shares will also be issued at any time on request by the registered holder.

The Company is permitted to issue bearer shares but there are no present plans to do so.

7.3 MINIMUM SUBSCRIPTIONS AND HOLDINGS

The minimum initial subscription for all Funds is £5,000. Any subsequent subscription must be not less than £1,000. Shareholders must maintain a minimum holding of Shares of £3,000 in value. The ACD may at its discretion accept subscriptions lower than the minimum amount.

If a holding is below the minimum holding the ACD has discretion to require redemption of the entire holding.

The Company offers a regular monthly savings facility in relation to all Funds. The minimum initial monthly subscription for this facility is £100 and the minimum monthly increase is £50 per Fund.

7.4 SELLING SHARES

Every shareholder has the right to require that the Company redeem his Shares on any Dealing Day unless the value of Shares which a Shareholder wishes to redeem will mean that the Shareholder will hold Shares with a value less than the required minimum, in which case the Shareholder may be required to redeem his entire holding.

Requests to redeem Shares may be made by telephoning 0845 605 6363 or faxing 0207 762 8489 or by electronic means acceptable to the ACD.

7.5 DOCUMENTS THE SELLER WILL RECEIVE

A contract note giving details of the number and price of Shares sold will be sent to the selling Shareholder (the first-named, in the case of joint Shareholders) together (if sufficient written instructions have not already been given) with a form of renunciation for completion and execution by the Shareholder (and, in the case of a joint holding, by all the joint holders) no later than the end of the business day following the later of the request to redeem Shares or the valuation point by reference to which the redemption price is determined. Cheques in satisfaction of the redemption monies will be issued within four business days of the later of (a) receipt by the ACD of the form of renunciation (or other sufficient written instructions) duly signed by all the relevant Shareholders and completed as to the appropriate number of Shares, together with any other appropriate evidence of title, and (b) the valuation point following receipt by the ACD of the request to redeem.

7.6 MINIMUM REDEMPTION

Part of the Shareholder's holding may be sold but the ACD reserves the right to refuse a redemption request if the value of the Shares to be redeemed is less than £1,000.

8 SWITCHING

A holder of Shares in a Fund may at any time switch all or some of his Shares of one Class or Fund ('Original Shares') for Shares of another Class or Fund ('New Shares'). The number of New Shares issued will be determined by reference to the respective prices of New Shares and Original Shares at the valuation point applicable at the time the Original Shares are repurchased and the New Shares are issued. Switching may be effected either by telephoning 0845 605 6363 or faxing 0207 762 8489 or by electronic means acceptable to the ACD or in writing to the ACD and the Shareholder may be required to complete a switching form (which, in the case of joint Shareholders must be signed by all the joint holders). Switching forms may be obtained from the ACD.

The ACD may at its discretion charge a fee on the switching of Shares between Funds.

If the switch would result in the Shareholder holding a number of Original Shares or New Shares of a value which is less than the minimum holding in the Fund concerned, the ACD may, if it thinks fit, convert the whole of the applicant's holding of Original Shares to New Shares or refuse to effect any switch of the Original Shares. No switch will be made during any period when the right of Shareholders to require the redemption of their Shares is suspended. The general provisions on procedures relating to redemption will apply equally to a switch. A duly completed switching form must be received by the ACD before the valuation point on a Dealing Day in the Fund or Funds concerned to be dealt with at the prices at those valuation points on that Dealing Day, or at such other date as may be approved by the ACD. Switching requests received after a valuation point will be held over until the next day which is a Dealing Day in the relevant Fund or Funds.

The ACD may adjust the number of New Shares to be issued to reflect the imposition of any switching fee together with any other charges or levies in respect of the issue or sale of the New Shares or repurchase or cancellation of the Original Shares as may be permitted pursuant to COLL.

Please note that a switch of Shares in one Fund for Shares in any other Fund is treated as a redemption and sale and will, for persons subject to United Kingdom taxation, be a realisation for the purposes of capital gains taxation.

A Shareholder who switches Shares in one Fund for Shares in any other Fund will not be given a right by law to withdraw from or cancel the transaction.

9 DEALING CHARGES

9.1 INITIAL CHARGE

The ACD may impose a charge on the sale of Shares. The initial charge in respect of all Shares is currently 5.55% of the issue price of such Shares. The initial charge is payable to the ACD.

9.2 SWITCHING FEE

On the switching of Shares of a Fund to another Fund the Instrument of Incorporation authorises the Fund to impose a switching fee. The fee will not exceed an amount equal to the then prevailing initial charge for the Class into which Shares are being switched. The switching fee is payable to the ACD, however there is currently no switching fee.

10 OTHER DEALING INFORMATION

10.1 DILUTION LEVY AND LARGE DEALS

The basis on which the Company's investments are valued for the purpose of calculating the issue and redemption price of Shares as stipulated in COLL and the Instrument of Incorporation is summarised on pages 13 to 14. The actual cost of purchasing or selling the Company's investments may be higher or lower than the mid-market value used in calculating the Share price - for example, due to dealing charges, or through dealing at prices other than the mid-market price. Under certain circumstances (for example, large volumes of deals) this may have an adverse effect on the Shareholders' interest in the Company. In order to prevent this effect, called 'dilution', the ACD has the power to charge a 'dilution levy' on the sale and/or redemption of Shares. A dilution levy is a separate charge of such amount or rate as is determined by the ACD. If charged, the dilution levy is not retained by the ACD but will be paid into the relevant Fund and will become part of the property of the relevant Fund. Although unlikely, on the occasions when the dilution levy is not applied there may be an adverse impact on the total assets of the relevant Fund. The dilution levy will be calculated by reference to the costs of dealing in the underlying investments of the Fund, including any dealing spreads, commission and transfer taxes. As dilution levy is directly related to the inflows and outflows of monies to and from the Fund, it is not possible to accurately predict how frequently the ACD will need to make such a dilution levy. If a dilution levy is required then, based on future prospects the estimated rate or amount of such a Levy would be 0.5%.

The need to charge a dilution levy will depend on the volume of sales or redemptions. The ACD may charge a discretionary dilution levy on the sale and redemption of Shares if, in its opinion, the existing Shareholders (for sales) or remaining Shareholders (for redemption) might otherwise be adversely affected. In particular, the dilution levy may be charged in the following circumstances -

- (a) where a Fund is in continual decline;
- (b) on a Fund experiencing large levels of net sales relative to its size;
- (c) on 'large deals'. For these purposes, a large deal is defined as 1% of the size of the Fund;

in any other case where the ACD is of the opinion that the interests of Shareholders require the imposition of a dilution levy.

However, during the Company's infancy, the ACD will charge no dilution levy on the purchase of shares for the first twelve months of a Fund's life.

10.2 SDRT PROVISION

HM Treasury regulations require a 0.5% Stamp Duty Reserve Tax (SDRT) charge to be made on the value of Shares redeemed by the ACD and on certain other transfers of Shares. The liability for SDRT is calculated each week by reference to Share sales and redemptions in that and the following week. This basic charge may be reduced if more Shares are surrendered than issued over the relevant period or if a Fund is invested in assets that are exempt from stamp duty and SDRT, ie. other than in UK equities. When a Fund does not issue any shares during the relevant period or is invested wholly in exempt investments, there is no liability to SDRT.

The Company is liable for the payment of SDRT but the ACD may make a levy on Share redemptions or transfers (which would have the effect of increasing the amount payable on the purchase of Shares or reducing the amount receivable on the redemption of Shares) or against the Company (as a charge against the income of each Fund), to provide for that liability.

It is the current intention of the ACD that any SDRT liability will be paid as a charge against the Fund. The ACD may in the future introduce a levy on individual Share redemptions or transfers to provide for any SDRT liability. Shareholders will be given 60 days' prior notice of such an introduction. However, the ACD reserves the right to charge any individual shareholder an SDRT provision of up to 0.5% on a Share redemption or transfer that constitutes a 'large deal'. A 'large deal' has the same meaning as in Section 10.1 above, (Dilution Levy and Large Deals).

An SDRT charge will be of such amount or at such rate as is determined by the ACD to be necessary to provide for SDRT for which the Depositary may become liable under Schedule 19 of the Finance Act 1999 (or any statutory modification or re-enactment of it) in respect of a redemption or transfer of Shares.

It is difficult to predict the frequency of any large deals in any Fund or whether the ACD will in all such cases impose a SDRT charge. As the Company is relatively new, there is no historical data available on which to base any predictions for the future. In the unlikely event that an SDRT charge is in fact levied, the maximum rate would be 0.5%.

In the case of a large deal, the Company may refuse to register a transfer of Shares unless there has been paid for the account of the Company an amount, determined by the ACD, not exceeding the amount that would be derived by applying the applicable rate of SDRT to the market value of the Shares being transferred.

10.3 MONEY LAUNDERING

As a result of legislation in force in the United Kingdom to prevent money laundering, persons conducting investment business are responsible for compliance with money laundering regulations. In order to implement these procedures, in certain circumstances investors may be asked to provide proof of identity when buying Shares. Until satisfactory proof of identity is provided, the ACD reserves the right to refuse to sell Shares.

10.4 RESTRICTIONS AND COMPULSORY TRANSFER AND REDEMPTION

The ACD may from time to time impose such restrictions as it may think necessary for the purpose of ensuring that no Shares are acquired or held by any person in breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory. In this connection, the ACD may, inter alia, reject in its discretion any application for the purchase, sale or switching of Shares.

If it comes to the notice of the ACD that any Shares ('affected Shares') are owned directly or beneficially in breach of any law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory or by virtue of which the Shareholder or Shareholders in question is/are not qualified to hold such Shares or if it reasonably believes this to be the case, the ACD may give notice to the holder(s) of the affected Shares requiring the transfer of such Shares to a person who is qualified or entitled to own them or that a request in writing be given for the repurchase of such Shares in accordance with COLL. If any person upon whom such a notice is served does not within thirty days after the date of such notice transfer his affected Shares to a person qualified to own them or establish to the satisfaction of the ACD (whose judgement is final and binding) that he or the beneficial owner is qualified and entitled to own the affected Shares, he shall be deemed upon the expiration of that thirty day period to have given a request in writing for the redemption of all the affected Shares pursuant to COLL.

A person who becomes aware that he is holding or owns affected Shares in breach of any law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory, or by virtue of which he is not qualified to hold such affected Shares, shall forthwith, unless he has already received a notice as aforesaid, either transfer all his affected Shares to a person qualified to own them or give a request in writing for the redemption of all his affected Shares pursuant to COLL.

10.5 'IN SPECIE' REDEMPTIONS

If a Shareholder requests the redemption or cancellation of Shares the ACD may, where it considers the deal to be substantial in relation to the total size of the Fund concerned, arrange that in place of payment of the price of the Shares in cash, the Company cancels the Shares and transfers scheme property or, if required by the Shareholder, the net proceeds of sale of relevant scheme property, to the Shareholder.

Before the proceeds of the cancellation of Shares become payable, the ACD must give written notice to the Shareholder that the scheme property or the proceeds of sale of scheme property will be transferred to that Shareholder.

The ACD will select the scheme property to be transferred in consultation with the Depositary. They must ensure that the selection is made with a view to achieving no more advantage or disadvantage to the Shareholder requesting cancellation/redemption than to the continuing Shareholders.

10.6 ISSUE OF SHARES IN EXCHANGE FOR 'IN SPECIE' ASSETS

The ACD may, at its discretion, arrange for the Company to issue Shares in exchange for assets other than money, but will only do so where the Depositary is satisfied that the acquisition by the Company of those assets in exchange for the Shares concerned is not likely to result in any material prejudice to the interests of Shareholders or potential Shareholders.

The ACD will ensure that the beneficial interest in the assets is transferred to the Company with effect from the issue of the Shares.

The ACD will not issue any Shares in any Fund in exchange for assets the holding of which would be inconsistent with the investment objective of that Fund.

10.7 SUSPENSION OF DEALINGS IN THE COMPANY

The ACD may, with the agreement of the Depositary, or must if the Depositary so requires, for a period of up to 28 days suspend the issue, cancellation, sale and redemption of Shares if the ACD or the Depositary is of the opinion that due to exceptional circumstances there is good and sufficient reason to do so having regard to the interests of Shareholders or potential Shareholders.

Re-calculation of the Share price for the purpose of sales and purchases will commence on the next relevant valuation point following the ending of the suspension.

10.8 GOVERNING LAW

All deals in Shares are governed by English law. The Company is itself constituted under English law.

11 VALUATION OF THE COMPANY

The price of a Share is calculated by reference to the Net Asset Value of the Fund to which it relates. The Net Asset Value per Share is currently calculated at 12 noon on each Dealing Day.

The ACD may at any time during a business day carry out an additional valuation if the ACD considers it desirable to do so.

12 CALCULATION OF THE NET ASSET VALUE

The value of the scheme property of the Company or of a Fund (as the case may be) shall be the value of its assets less the value of its liabilities determined in accordance with the following provisions.

- All the scheme property (including receivables) of the Company for a Fund is to be included, subject to the following provisions.
- Property which is not cash (or other assets dealt with below) or contingent liability transaction shall be valued as follows and the prices used shall be the most recent prices which it is practicable to obtain -
 - o units or shares in a collective investment scheme -
 - if a single price for buying and selling units is quoted, at the most recent such price; or
 - if separate buying or selling prices are quoted, at the average of the two prices provided the buying price has been reduced by any initial charge included therein and the selling price has been increased by any exit or redemption charge attributable thereto; or
 - if no price or no recent price exists at a price which in the opinion of the ACD is fair and reasonable.
 - o any other transferable security -
 - if a single price for buying and selling the security is quoted at that price; or
 - if separate buying and selling prices are quoted, the average of those two prices; or
 - if, in the opinion of the ACD, the price obtained is unreliable or no recent traded price is available or if no price exists at a value which in the opinion of the ACD reflects a fair and reasonable price for that investment.
 - o property other than that described above
 - at a value which, in the opinion of the ACD, represents a fair and reasonable mid-market price.
- Cash and amounts held in current and deposit accounts and other time related deposits shall be valued at their nominal values.
- Property which is a contingent liability transaction shall be treated as follows -
 - o if it is a written option (and the premium for writing the option has become part of the scheme property), the amount of the net valuation of premium receivable shall be deducted. If the property is an off-exchange derivative the method of valuation shall be agreed between the ACD and the Depositary;
 - o if the property is an off-exchange future, it will be included at the net value of closing out in accordance with a valuation method agreed between the ACD and the Depositary;
 - o if the property is an off-exchange derivative, it will be included at the net value of closing out in accordance with a valuation method agreed between the ACD and the Depositary;
 - o if it is any other form of contingent liability transaction, it will be included at the net value of margin on closing out (whether as a positive or negative value).
- In determining the value of the scheme property, all instructions given to issue or cancel Shares shall be assumed to have been carried out (and any cash paid or received) whether or not this is the case.
- Subject to the two paragraphs below, agreements for the unconditional sale or purchase of property which are in existence but uncompleted shall be assumed to have been completed and all consequential action required to have been taken. Such unconditional agreements need not be taken into account if made shortly before the valuation takes place and in the opinion of the ACD, their omission will not materially affect the final net asset amount.
- Futures or contracts for differences which are not yet due to be performed and unexpired and unexercised written or purchased options shall not be included under the paragraph above.
- All agreements are to be included under the second paragraph above which are, or ought reasonably to have been, known to the person valuing the property.
- An estimated amount for anticipated tax liabilities at that point in time including (as applicable and without limitation) capital gains tax, income tax, corporation tax, advance corporation tax and value added tax, stamp duty and stamp duty reserve tax will be deducted.
- An estimated amount for any liabilities payable out of the scheme property and any tax thereon treating periodic items as accruing from day to day will be deducted.
- The principal amount of any outstanding borrowings whenever repayable and any accrued but unpaid interest on borrowings will be deducted.
- An estimated amount for accrued claims for tax of whatever nature which may be recoverable will be added.
- Any other credits or amounts due to be paid into the scheme property will be added.
- A sum representing any interest or any income accrued due or deemed to have accrued but not received will be added.
- The total amount of any cost relating to the authorisation and incorporation of the Company and of its initial offer or issue of Shares will be added.
- Currencies or values in currencies other than base currency or (as the case may be) the designated currency of a Fund shall be converted at the relevant valuation point at a rate of exchange that is not likely to result in any material prejudice to the interests of shareholders or potential shareholders.
- The Company is required to allocate (and the ACD may from time to time reallocate) any assets, costs, charges or expenses which are not attributable to a particular Fund against all the Funds in a manner which is fair to the shareholders of the Company generally.
- Where the ACD has reasonable grounds to believe that no reasonable price exists for a security at a valuation point or the most recent price available does not reflect the ACD's best estimate of the value of a security at a valuation point, it will value an investment at a price which, in its opinion, reflects a fair and reasonable price for that investments (the fair value price).

- The circumstance which may give rise to a fair value price being used includes where there has been no recent trade in the security concerned or where there has been the occurrence of a significant event since the most recent closure of the market where the price of the security is taken.

13 SHARE PRICE

13.1 PRICE PER SHARE IN EACH FUND AND EACH CLASS

Shares are "single priced". This means that subject to the dilution levy or any SDRT levy and the initial charge, the price of a share for both buying and selling purposes will be the same and determined by reference to a particular valuation point. The price of a share is calculated at or about the valuation point each dealing day (to at least four significant figures) by:

- taking the value of the property attributable to the relevant fund and therefore all shares (of the relevant class) in issue (on the basis of the units of entitlement in the property of the Company attributable to that class at the most recent valuation of the Company); and
- dividing the result by the number of shares of the relevant class in issue immediately before the valuation concerned.

13.2 PRICING BASIS

The Company deals on a forward pricing basis. A forward price is the price calculated at the next valuation point (12 noon) after the sale or redemption is agreed.

13.3 PUBLICATION OF PRICES

The most recent price of Shares will appear daily in the Financial Times and may also be published in one or more other UK newspapers. For reasons beyond the control of the ACD, this may not necessarily be the current price.

14 RISK FACTORS

Potential investors should bear in mind that all investment carries risk and in particular should consider the following risk factors before investing in the Company.

14.1 GENERAL

Past performance should not be seen as an indication of future performance. The investments of the Company are subject to normal market fluctuations and other risks inherent in investing in securities. Consequently, the value of shares in all sub-funds and the income derived from them can go down as well as up and as a result an investor may not get back the amount originally invested. This can be as a result of market movements and also variations on the exchange rates between currencies.

There can be no assurance that any appreciation in value of investments will occur. The value of investments and the income derived from them may fall as well as rise and investors may not recoup the original amount invested in the Company. There is no assurance that the investment objective of any Fund will actually be achieved.

The Funds are not "ring-fenced" and in the event of the Company being unable to meet liabilities attributable to any particular Fund out of the assets attributable to such Fund, the excess liabilities may have to be met out of the assets attributable to other Funds.

The levels of relief from taxation will depend upon individual circumstances. Please note current tax levels and reliefs may change and their value will depend on the investor's individual circumstances.

In certain circumstances, for hedging purposes to reduce or eliminate risk arising from fluctuations in interest or exchange rates and in the price of investments, the Investment Adviser may enter into certain derivatives transactions, including, without limitation, forward transactions, futures and options. The values of these investments may fluctuate significantly. By holding these types of investments there is a risk of capital depreciation in relation to certain Fund assets. There is also the potential for the capital appreciation of such assets.

The Company may invest in units in collective investment schemes which invest in property directly. The terms of these collective investment schemes may mean that redemption of units is restricted and this may consequently affect the liquidity of the Company. However, a proportion of the scheme property of the Company will be invested in cash and near cash with a view to enabling the Company to meet shareholders' redemption requests.

14.2 EFFECT OF INITIAL CHARGE

The Authorised Corporate Director's initial charge (see page 21) is deducted from an investment at the outset and an equivalent rise in the value of shares is required before the original investment can be recovered. Consequently an investor who realises his shares after a short period may not (even in the absence of a fall in the value of the relevant investments) realise the amount originally invested. Therefore, the Shares should be viewed as a mid to long term investment.

14.3 SUSPENSION OF DEALINGS IN SHARES

Investors are reminded that in certain circumstances their right to redeem Shares may be suspended (see 'Suspension of Dealings in the Company' on page 12).

14.4 CURRENCY EXCHANGE RATES

Depending on an investor's currency of reference, currency fluctuations may adversely affect the value of an investment.

14.5 EMERGING MARKETS

Where Funds invest in some overseas markets, these investments may carry risks associated with failed or delayed settlement of market transactions and with the registration and custody of securities.

Investment in emerging markets may involve a higher than average risk.

Investors should consider whether or not investment in such Funds is either suitable for or should constitute a substantial part of an investors portfolios.

Companies the subject of investment in emerging markets may not be subject:

- (a) to accounting, auditing and financial reporting standards, practices in disclosure requirements comparable to those applicable to companies in major markets;
- (b) to the same level of government supervision and regulation of stock exchanges as countries with more advanced securities markets. Accordingly, certain emerging markets may not afford the same level of investor protection as would apply in more developed jurisdictions;
- (c) restrictions on foreign investment in emerging markets may preclude investment in certain securities by certain Funds and, as a result, limit investment opportunities for the Funds. Substantial government involvement in, and influence on, the economy may affect the value of securities in certain emerging markets;
- (d) the reliability of trading and settlement systems in some emerging markets may not be equal to that available in more developed markets, which may result in delays in realising investment;
- (e) lack of liquidity and efficiency in certain of the stock markets or foreign exchange markets in certain emerging markets may mean that from time to time ACD may experience more difficulty in purchasing or selling holdings of securities than it would in a more developed market.

14.6 CHARGES TO CAPITAL

Where the objective of a Fund is to treat the generation of income as a higher priority than capital growth, or the generation of income and capital growth have equal priority, all or part of the ACD's fee (and any other charges) may be charged against capital instead of income. This may result in capital erosion or constrain capital growth.

14.7 LIABILITIES OF THE COMPANY

Although each Fund so far as possible will be treated as bearing the liabilities, expenses, costs and charges attributable to it, if its assets are not sufficient, the ACD may reallocate assets, liabilities, expenses, costs and charges between the Funds in a manner which is fair to the shareholders of the Company generally. The ACD would normally expect any such reallocation to be effected on a pro rata basis having regard to the net asset values of the relevant Funds. If there is any such reallocation the ACD will advise shareholders of it in the next succeeding annual or half yearly report to shareholders.

Shareholders are not, however, liable for the debts of the Company. A Shareholder is not liable to make any further payment to the Company after he has paid the purchase price of the Shares.

14.8 INVESTMENT IN PROPERTY INVESTMENT COMPANIES

The Fund may invest in the units in collective investment schemes that invest in the shares of property investment companies. Whilst equity investments carry potential for attractive returns over the long term, the volatility of these returns can also be relatively high, when compared to physical property.

15 MANAGEMENT AND ADMINISTRATION

15.1 AUTHORISED CORPORATE DIRECTOR

The Authorised Corporate Director of the Company is Premier Portfolio Managers Limited, which is a private company limited by shares incorporated in England and Wales No.1235867 under the Companies Act 1948 to 1967 on 1st December 1975.

Registered Office and Head Office: - Eastgate Court, High Street, Guildford, Surrey GU1 3DE.

Share Capital: - Authorised £125,000

Issued £125,000

Paid up £125,000

The ACD is a wholly owned subsidiary of Premier Asset Management Plc, which is incorporated in England and Wales. Premier Portfolio Managers Limited is also the ACD of eleven other ICVCs; Premier Fund of Funds, Premier Funds, Premier Money Market Fund, The Premier Castlefield Fund, The Snowdonia Fund, The Discovery Fund, The Halcyon Fund, The Eden Fund, the Fiduciary Fund, the Liberation Fund and the Provenance Fund.

The ACD is responsible for managing and administering the Company's affairs in compliance with COLL.

The ACD may provide investment services to other clients and funds and to companies in which the Company may invest in accordance with COLL and the OEIC Regulations.

The directors of Premier Portfolio Managers Limited are:

- Neil Macpherson
- Mark Friend
- Michael O'Shea
- Simon Weldon

15.2 TERMS OF APPOINTMENT

The ACD provides its services to the Company under the terms of a service agreement (the "**ACD Agreement**"). The ACD Agreement provides that the appointment of the ACD is for an initial period of [two years] and thereafter may be terminated upon 12 months' written notice by either the ACD or the Company, although in certain circumstances the agreement may be terminated forthwith by notice in writing by the ACD to the Company or the Depositary, or by the Depositary or the Company to the ACD. Termination cannot take effect until the FSA has approved the change of ACD.

The ACD is entitled to its pro rata fees and expenses to the date of termination and any additional expenses necessarily realised in settling compensation for loss of office is provided for in the agreement. The ACD Agreement provides indemnities to the ACD other than for matters arising by reason of its negligence, default, breach of duty or breach of trust in the performance of its duties and obligations.

Under the ACD Agreement the ACD is entitled to delegate all of its functions to third parties, including without limitation, its investment advisory, administration and registrar functions. In accordance with COLL, the ACD may terminate these arrangements at any time with immediate effect where it is in the interests of the shareholders to do so.

The ACD is under no obligation to account to the Depositary or the Shareholders for any profit it makes on the issue or re-issue of Shares or cancellation of Shares which it has redeemed. The fees to which the ACD is entitled are set out on page 21.

The ACD is authorised and regulated by the Financial Services Authority of 25 The North Colonnade, Canary Wharf, London E14 5HS

15.3 THE DEPOSITARY

The Company's Depositary is The Royal Bank of Scotland plc. The Depositary is incorporated in Scotland as a public limited company. Its Head Office is Gogarburn, PO Box 1000, Edinburgh, EH12 1HQ and its registered office is at 36 St Andrew Square, Edinburgh EH2 2YB.

The ultimate holding company of the Depositary is The Royal Bank of Scotland Group plc, which is also incorporated in Scotland. The principal business activity of the Depositary is banking. The Depositary is authorised and regulated by the Financial Services Authority.

The Depositary is responsible for the safekeeping of all the scheme property of the Company and has a duty to take reasonable care to ensure that the Company is managed in accordance with the provisions of COLL relating to the pricing of, and dealing in, Shares and relating to the income of the Funds.

The Depositary provides its services under the terms of a depositary agreement between the Company and the Depositary (the 'Depositary Agreement') which may be terminated by three months notice given by either the Company or the Depositary, provided that the Depositary may not voluntarily retire except on the appointment of a new Depositary. Subject to COLL, the Depositary has full power under the Depositary Agreement to delegate (and authorise its sub-delegates to sub-delegate) all or any part of its duties as Depositary. The Depositary is entitled to the fees, charges and expenses detailed under "Depositary's Fees, Charges and Expenses" at 16.4. In general terms, the Depositary Agreement provides for the exemption of the Depositary from liability to the Company and for the indemnification of the Depositary by the Company in each case in respect of liabilities incurred as a consequence of its acting as Depositary except (in either case) any liability in respect of any failure by the Depositary to exercise due care and diligence in the discharge of its functions in respect of the Company or where necessary from another person.

The Depositary has delegated custody services to The Northern Trust Company.

15.4 THE INVESTMENT ADVISER

The ACD has appointed Premier Fund Managers Limited to provide investment management and advisory services to the ACD in respect of the Funds.

15.5 TERMS OF APPOINTMENT

The investment advisory agreement between the ACD and the Investment Adviser may be terminated on written notice by the Investment Adviser or the ACD upon 6 months notice, after an initial period of 2 years. Under the Investment Advisory Agreement the ACD provides indemnities to the Investment Adviser (except in the case of any matter arising as a direct result of its fraud, negligence, default or bad faith). The ACD may be entitled under the indemnities in the ACD Agreement to recover from the Company amounts paid by the ACD under the indemnities in the Investment Adviser Agreement.

Premier Fund Managers Limited is in the same group of companies as the ACD. Its registered office is also at Eastgate Court, High Street, Guildford, Surrey GU1 3DE. The principal activity of Premier Fund Managers Limited is acting as an investment manager and adviser.

The Investment Adviser is authorised and regulated by the FSA. The Investment Adviser's duties under the Investment Adviser Agreement include making recommendations and advising the ACD on matters of policy (including advice on borrowing); searching out and evaluating investment opportunities; analysing the performance of companies in which assets have been invested; considering and effecting the purchase or sale of particular assets and payments into and withdrawals from accounts maintained by the Depositary; and ensuring that assets are managed in compliance with all applicable laws and regulations.

The ACD has delegated to the Investment Adviser all rights and powers as are necessary for the discharge by the Investment Adviser of its duties under the Investment Adviser Agreement, and the Investment Adviser is authorised to make decisions on behalf of the ACD in relation to the management, purchase, sale, retention, exchange or other dealings with assets, and has full discretion to make such investments on such markets as such times as the Investment Adviser think fit and otherwise to act as it shall deem appropriate.

Under the Investment Advisory Agreement, the Investment Adviser may delegate to any person the performance of its duties and services required to be performed by it under that agreement. Under the terms of a sub-adviser agreement, the Investment Adviser has appointed Close Private Asset Management Limited to provide discretionary investment advice in respect of the property attributed to the Hurlingham Managed Growth Portfolio. Close Private Asset Management Limited is remunerated from the Investment Adviser's fee.

15.6 ADMINISTRATOR AND REGISTRAR

The ACD has appointed Northern Trust International Fund Administration Services (UK) Limited to provide administration services to the ACD and Ravensbourne Registration Services Limited to act as registrar to the Company.

15.7 TERMS OF APPOINTMENT

The Administrator was appointed by an agreement between the ACD and the Administrator dated 5th February 2001 and amended to include the Company. The Administration Services Agreement may be terminated on 180 days written notice by the Administrator or the ACD. The principal activity of the Administrator is the provision of administration services.

Ravensbourne Registration Services Limited is authorised and regulated by the FSA. Its registered office is at 50 Bank Street, Canary Wharf, London E14 5NT.

15.8 THE AUDITOR

The auditor of the Company is RSM Robson Rhodes LLP of 186 City Road, London EC1V 2NU.

15.9 LEGAL ADVISERS

The Company is advised by Burges Salmon LLP of Narrow Quay House, Narrow Quay, Bristol BS1 4AH.

15.10 REGISTER OF SHAREHOLDERS

The Register of Shareholders is maintained by the Registrar and may be inspected at the address on page 36 during normal business hours by any Shareholder or any Shareholder's duly authorised agent.

15.11 ADMINISTRATOR CORPORATE GOVERNANCE

The ACD has appointed ISS Proxy Monitor to provide from time to time, corporate governance services (including the voting of holdings at meetings) on behalf of the Company.

15.12 CONFLICTS OF INTEREST

Subject to compliance with COLL the ACD, the Investment Adviser and other companies within the Premier group may, from time to time, act as investment managers or advisers to other funds or sub-funds, which follow similar investment objectives to those of the Company. It is therefore possible that the ACD and/or the Investment Adviser may in the course of their business have potential conflicts of interest with the Company. Each of the ACD and the Investment Adviser will, however, have regard in such event to its obligations under the ACD Agreement and the Investment Adviser Agreement respectively and, in particular, to its obligation to act in the best interests of the Fund so far as practicable, having regard to its obligations to other clients when undertaking any investment where potential conflicts of interest may arise.

The Depositary may, from time to time, act as the depositary of other companies.

At the request of the ACD, the Depositary or any associate of the Depositary, or of any Investment Adviser may (subject to COLL) hold money on deposit from, lend money to, or engage in stocklending transactions in relation to the Company, so long as the services concerned are provided on arm's length terms.

The Depositary, the ACD, or any Investment Adviser or any associate of any of them may sell or deal in the sale of property to the Company or purchase property from the Company provided the applicable provisions of COLL apply and are observed. Any such transactions will be at the request of the Company or the ACD.

Subject to compliance with COLL the ACD may be party to or interested in any contract, arrangement or transaction to which the Company is a party or in which it is interested. The ACD is entitled at its own discretion to determine the terms of its appointment as such, and consequently amend the terms of the Service Agreement referred to in paragraph [17.2] above.

The Depositary, the ACD, or any Investment Adviser or any associate of any of them will not be liable to account to the Company or any other person, including the holders of shares or any of them, for any profit or benefit made or derived from or in connection with:

- (a) their acting as agent for the Company in the sale or purchase of property to or from the Funds; or
- (b) their part in any transaction or the supply of services permitted by COLL; or
- (c) their dealing in property equivalent to any owned by (or dealt in for the account of) the Company.

16 FEES AND EXPENSES

16.1 GENERAL

At the ACD's discretion the Company may pay out of the property of the Company charges and expenses incurred by the Company, which will include the following expenses:

- the fees and expenses payable to the ACD (which will include the fees and expenses payable to the Investment Adviser and to the Administrator) and to the Depositary;

- broker's commissions, fiscal charges and other disbursements which are necessarily incurred in effecting transactions for the Funds and normally shown on contract notes, confirmation notes and difference accounts as appropriate;
- interest on and other charges relating to permitted borrowings;
- taxation and other duties payable by the Company;
- any costs incurred in acquiring or disposing of investments;
- any costs incurred in amending the Instrument of Incorporation including the removal of obsolete provisions;
- any costs incurred in respect of any other meeting of shareholders convened on a requisition by holders not including the ACD or an associate of the ACD;
- any fees in relation to a unitisation, amalgamation or reconstruction where the property of a body corporate (such as an investment company) or of another collective investment scheme is transferred to the Company in consideration for the issue of shares in the Company to shareholders in that body corporate or to participation in that other scheme, any liability arising after the transfer which, had it arisen before the transfer, could properly have been paid out of that other property provided that the ACD is of the opinion that proper provision was made for meeting such liabilities as were known or could reasonably have been anticipated at the time of the transfer;
- any audit fee and any proper expenses of the auditor;
- any fee and any proper expenses of any professional advisers retained by the Company or by the ACD in relation to the Company or any Fund;
- payments or costs in relation to the preparation of any simplified prospectus (either in respect of the Company or each Fund);
- any costs of printing and distributing annual, half yearly and quarterly reports and any prospectus, including the costs incurred as a result of periodic updates of any prospectus, and other reports provided for shareholders;
- any costs of listing the prices of the Funds in publication and information services selected by the ACD including the Financial Times;
- any costs of establishing the Company;
- and costs of authorising new Funds of the Company after its initial establishment;
- any fees and expenses in respect of establishing and maintaining the register of shareholders and any sub-register of shareholders;
- any costs incurred in producing and despatching any payment made by the Company;
- any costs incurred in taking out and maintaining an insurance policy in relation to the Company;
- the periodic fees of the FSA together with any corresponding periodic fees of any regulatory authority in a country or territory outside the United Kingdom in which the shares in the Company are or may be marketed;
- any expense incurred in relation to company secretarial duties including the cost of maintenance of minute books and other documentation required to be maintained by the Company;
- any costs associated with the admission of shares to listings on any stock exchange and with the maintenance of that listing (including, for the avoidance of doubt, the fees levied by the exchange in questions as a condition of the admission to listing of the shares and the periodic renewal of that listing), any offer of shares, including the preparation and printing of any prospectus and the creation, conversion and cancellation of shares associated with such prospectus;
- any expense incurred with respect to the publication and circulation of details of the Net Asset Value of the Funds;
- any amount payable to the Company under any indemnity provisions provided for in the Instrument of Incorporation or any agreement to which the Company is party.

Value Added Tax on any fees, charges or expenses will be added to such fees, charges or expenses and will be payable by the Company.

Expenses not directly attributable to a particular Fund will be allocated proportionately between all Funds. Expenses are allocated between capital and income in accordance with COLL.

It is not currently proposed to seek a listing for the Shares on any stock exchange, but if a listing is sought in the future the fees connected with the listing will be payable by the Company.

16.2 CHARGES PAYABLE TO THE ACD

In payment for carrying out its duties and responsibilities the ACD is entitled to be paid an annual fee from the scheme property attributable to each Fund, based upon the Net Asset Value of the Company calculated on a mid-market basis. This is generally referred to as the annual management charge.

The annual management charge accrues daily and is payable monthly on the last business day of the month. The fee is calculated by reference to the property attributable to each Fund on the last business day of the preceding month except for the first accrual, which is calculated by reference to the first valuation point of each Fund. The current management charge is 1.5%.

By way of clarification the ACD is entitled to be reimbursed for the costs of stamp duty and stamp duty reserve tax on transactions in Shares incurred in the performance of its duties.

Where the investment objective of a Fund is to treat the generation of income as a higher priority than capital growth, or the generation of income and capital growth have equal priority, all or part of the ACD's fee may be charged against capital instead of against income. This will only apply with the approval of the Depositary. This treatment of the ACD's fee will increase the amount of income available for distribution to Shareholders in such Funds but may constrain capital growth.

If a Class's expenses in any period exceed the income the ACD may take that excess from the capital property attributable to that Class.

The ACD may not introduce a new category of remuneration for its services or increase the current rate or amount of its remuneration payable out of the scheme property of the Fund or the preliminary charge within the relevant maximum unless, not less than 60 days before the introduction or increase, the ACD gives notice in writing of the introduction or increase and the date of its commencement to all Shareholders and has revised and made available the Prospectus to reflect the introduction or new rate and the date of its commencement.

16.3 INVESTMENT ADVISER'S FEES

The Investment Advisers' fees and expenses (plus VAT thereon) will be paid by the ACD out of its remuneration under the ACD Agreement.

16.4 DEPOSITARY'S FEES, CHARGES AND EXPENSES

The Depositary receives for its own account a periodic fee which will accrue monthly on the last business day in each calendar month in respect of that day and the period since the last business day in the preceding month and is payable as soon as practicable after it has accrued (and in any event within, seven days after the day on which it accrues due). The fee is calculated by reference to the value of each Fund on the last business day of the preceding month except for the first accrual, which is calculated by reference to the first valuation point of each Fund. The fee is payable out of the property attributable to each Fund.

The rate of the periodic fee is agreed between the ACD and the Depositary and in relation to each Sub-Fund is subject to a minimum fixed amount of £7,500 per annum. Subject to this minimum the charge is otherwise calculated on a sliding scale for each Sub-Fund on the following basis:

0.07% per annum of the first £20 million of the Scheme Property

0.05% per annum of the balance.

The first accrual in relation to any Fund will take place in respect of the period beginning on the day on which the first valuation of that Fund is made and ending on the last business day on which that day falls.

The total remuneration payable to the Depositary out of the property attributable to each Fund for its services also includes transaction charges and custody charges. Transaction charges vary from country to country, depending on the markets and the value of the stock involved. The current transaction charges range between £7.50 and £120 per transaction. The transaction charges accrue at the time the transactions are effected and are payable as soon as is reasonably practicable, and in any event not later than the last business day of the month when such charges arose or as otherwise agreed between the Depositary and the ACD. Custody charges again vary from country to country depending on the markets and the value of stock involved. Custody charges currently range between 0.003% and 0.27% and accrue and are payable as agreed from time to time by the ACD and the Depositary.

The Depositary will also be reimbursed out of the property attributable to each Fund, expenses properly incurred in the performance of, or arranging the performance of, functions conferred on it by the Depositary Agreement, COLL, the OEIC Regulations or by the general law, referable to (but not limited to):

- (i) custody of assets (including overseas custody services);
- (ii) the acquisition, holding and disposal of property;
- (iii) the collection of dividends, interest and any other income;
- (iv) the maintenance of distribution accounts;
- (v) the conversion of foreign currencies;
- (vi) registration of assets in the name of the Depositary or its nominees or agents;
- (vii) borrowings, stock lending or other permitted transactions;
- (viii) communications with any parties (including facsimile and SWIFT);
- (ix) taxation matters;
- (x) insurance matters; and
- (xi) dealing in derivatives.

The amount or rate of any of the Depositary's fees and charges referred to above shall (unless otherwise stated) be determined by reference to the scale or tariff or other basis from time to time agreed between the ACD and the Depositary and notified to the ACD by the Depositary.

The Depositary shall be entitled to recover its fees, charges and expenses when the relevant transaction or other dealing is effected or relevant service is provided or as may otherwise be agreed between the Depositary and the Company or the ACD.

On a winding up of the Company, the termination of a Fund or the redemption of a class of shares, the Depositary will be entitled to its pro rata fees, charges and expenses to the date of the commencement of the winding up or the redemption (as appropriate) and any additional expenses necessarily realised in settling or receiving any outstanding obligations. No compensation for loss of office is provided for in the agreement with the Depositary. Any value added tax on any fees, charges or expenses payable to the Depositary will be added to such fees, charges or expenses.

Expenses not directly attributable to a particular Fund will be allocated between Funds. In such case such expenses and disbursements will also be payable if incurred by a person (including the ACD or an associate or nominee of the Depositary or of the ACD) who has had the relevant duty delegated to it pursuant to COLL by the Depositary.

16.5 ADMINISTRATOR'S AND REGISTRAR'S FEE

The Administrator's fees and expenses (plus VAT thereon) will be paid by the ACD out of its remuneration under the ACD Agreement, with the exception of those services detailed in 16.1, which the Company may pay out of the property of the Company. These will include but are not limited to:

- (a) dealing administration: dealing charge of £19.50 on each transaction, subject to a minimum monthly charge of £150;
- (b) keeping the register and sub-plan register: £13.50 per annum per shareholder, or in the case of the sub-plan, per account holder, subject to a minimum monthly charge of £100.

The fees are payable to the Registrar out of the property of each Fund and are allocated to each share class based on the value of each share class as a proportion of the fund value. The Registrar's fees are payable monthly in arrears and are subject to annual review subject to the agreement of the ACD.

16.6 ALLOCATION OF FEES AND EXPENSES BETWEEN FUNDS

All the above fees, duties and charges (other than those borne by the ACD) will be charged to the Fund in respect of which they were incurred but where an expense is not considered to be attributable to any one Fund, the expense will normally be allocated to all Funds pro-rata to the value of the Net Assets of the Funds, although the ACD has discretion to allocate these fees and expense in a manner which it considers fair to shareholders generally.

17 INSTRUMENT OF INCORPORATION

17.1 SHARE CAPITAL

- (a) The Company may from time to time issue Shares of different Classes, and the ACD may by resolution from time to time create additional Classes in respect of a Fund (whether or not falling within one of the Classes in existence on incorporation).
- (b) The ACD may by resolution from time to time create additional Funds with such investment objectives and such restrictions as to geographic area, economic sector, monetary zone or category of transferable security and denominated in such currencies as the ACD from time to time determines.
- (c) The special rights attaching to a Class are not (unless otherwise expressly provided by the conditions of issue of such Shares) deemed to be varied by:
 - (i) the creation, allotment or issue of further Shares of any Class ranking *pari passu* with them;
 - (ii) the switch of Shares of any Class into Shares of another Class; or
 - (iii) the creation, allotment, issue or redemption of Shares of another Class within the same Fund, provided that the interests of that other Class in the Fund represent fairly the financial, contributions and benefits of Shareholders of that Class;
 - (iv) the creation, allotment, issue or redemption of Shares of another Fund;
 - (v) the exercise by the ACD of its powers to re-allocate assets, liabilities, expenses, costs or changes not attributable to one Fund or to terminate a Fund; or
 - (vi) the passing of any resolution at a meeting of another Fund which does not relate to the Fund in which the Class is interested.

17.2 TRANSFER OF SHARES

A shareholder is entitled (subject to as mentioned below) to transfers of Shares which must be effected by transfer in writing in any usual or common form or in any other form as may be approved by the ACD. The instrument of transfer, duly stamped if it is required to be stamped, must be lodged with the Registrar for registration. The transferor remains the holder until the name of the transferee has been entered into the register.

- (a) No instrument of transfer may be given in respect of more than one Class.
- (b) In the case of a transfer to joint holders, the number of joint holders to whom a Share is to be transferred may not exceed four.
- (c) The ACD is not obliged to accept a transfer if it would result in the holder, or transferee, holding less than the minimum holding of shares in the class in question.

The Company or the Registrar may require the payment of such reasonable fee as the ACD and the Company may agree for the registration of any grant of probate, letters of administration or any other documents relating to or affecting the title to any share.

17.3 REMOVAL OF ACD

The Company may by ordinary resolution remove the ACD before the expiration of its period of office, notwithstanding anything in the Instrument of Incorporation or in any agreement between the Company and the ACD, but the removal will not take effect until the FSA have approved it and a new ACD approved by the FSA has been appointed.

17.4 PROCEEDINGS AT GENERAL MEETINGS

- The Depositary shall nominate the chairman of a general meeting. If the nominated chairman is not present or declines to take the chair, the Shareholders may choose one of their number to be chairman.
- The chairman of any quorate meeting may with the consent of the meeting adjourn the meeting from time to time (or without date) and from place to place, and if he is directed by the meeting to adjourn he must do so. No business can be transacted at an adjourned meeting which might not lawfully have been transacted at the meeting from which the adjournment took place.
- The Shareholders have rights under COLL to demand a poll. In addition to these, a poll may be demanded by the chairman of the meeting or by the ACD on any resolution put to the vote of a general meeting.
- Unless a poll is required, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book or computer record of proceedings will be conclusive evidence of that fact. If a poll is required, it shall be taken in such manner as the chairman may direct.
- The chairman may take any action he considers appropriate for, for example, the safety of people attending a general meeting, the proper and orderly conduct of the general meeting or in order to reflect the wishes of the majority.

17.5 CORPORATIONS ACTING BY REPRESENTATIVES

- Any corporation which is a Shareholder may by resolution of its Directors or any governing body and in respect of any Share or Shares of which it is the holder authorise such individual as it thinks fit to act as its representative at any general meeting of the Shareholders or of any Class meeting. The individual so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise in respect of such Share or Shares if it were an individual Shareholder.
- Any corporation which is a Director of the Company may by resolution of its directors or other governing body authorise such individual as it thinks fit to act as its representative at any general meeting of the shareholders or of any Class meeting of the Directors. The person so authorised shall be entitled to exercise the same powers at such meeting on behalf of such corporation as the corporation could exercise if it were an individual Director.

17.6 POWERS OF A SHAREHOLDERS' MEETING

The ACD must, by way of an extraordinary resolution (i.e. a resolution notified and proposed as such and passed by a majority of not less than three-quarters of the votes validly cast), obtain prior approval from the shareholders (or, where applicable, class of shareholders) for any proposed change to the Company or any of its Funds which, in accordance with COLL, is a fundamental change. Such a fundamental change is likely to include:

- certain changes to the investment objective and policy of the Funds;
- the removal of the ACD;

- any proposal for a scheme of arrangement.

Other provisions of the Company's instrument of incorporation and the prospectus may be changed by the ACD without the sanction of a shareholders' meeting in accordance with COLL.

17.7 INDEMNITY

The Instrument of Incorporation contains provisions indemnifying every Director other officer and auditor against liability in certain circumstances and indemnifying the Depositary against liability in certain circumstances but not any liability in respect of failure by it to exercise due care and diligence or any liability which is recovered from another person.

18 SHAREHOLDER MEETINGS AND VOTING RIGHTS

18.1 ANNUAL GENERAL MEETING

In accordance with the OEIC Regulations the Company has elected to dispense with the holding of the annual general meeting ("AGM").

18.2 REQUISITIONS OF MEETINGS

The ACD may requisition a general meeting at any time.

Shareholders may also requisition a general meeting of the Company. A requisition by Shareholders must state the objects of the meeting, be dated, be signed by Shareholders who, at the date of the requisition, are registered as holding not less than one-tenth in value of all Shares then in issue and the requisition, must be deposited at the head office of the Company. The ACD must convene a general meeting no later than eight weeks after receipt of such requisition.

18.3 NOTICE AND QUORUM

Shareholders will receive at least 14 days' written notice of a Shareholders' meeting and are entitled to be counted in the quorum and vote at such meeting either in person or by proxy. The quorum for a meeting is two Shareholders, present in person or by proxy or (in the case of a corporation) by a duly authorised representative. The quorum for an Adjourned Meeting is one Shareholder present in person or by proxy. Notices of Meetings and Adjourned Meetings will be sent to Shareholders at their registered addresses.

18.4 VOTING RIGHTS

At a meeting of Shareholders, on a show of hands every Shareholder who (being an individual) is present in person or (being a corporation) is present by its representative properly authorised in that regard, has one vote.

On a poll vote, a Shareholder may vote either in person or by proxy. The voting rights attaching to each Share are such proportion of the voting rights attached to all the Shares in issue that the price of the Share bears to the aggregate price(s) of all the Shares in issue at the date seven days before the notice of meeting is deemed to have been served.

A Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.

Except where COLL or the Instrument of Incorporation of the Fund require an extraordinary resolution (which needs 75% of the votes cast at the meeting to be in favour if the resolution is to be passed) any resolution required by COLL will be passed by a simple majority of the votes validly cast for and against the resolution.

The ACD is entitled to attend any meeting but, except in relation to third party shares, is not entitled to vote or be counted in the quorum and any shares it holds are treated as not being in issue for the purpose of such meeting. An associate of the ACD is entitled to attend any meeting and may be counted in the quorum, but may not vote except in relation to third party shares. For this purpose third party shares are shares held on behalf of or jointly with a person who, if himself the registered shareholder, would be entitled to vote, and from whom the ACD or the associate (as relevant) has received voting instructions.

'Shareholders' in this context means Shareholders on the date seven days before the notice of the relevant meeting was deemed to have been served but excludes holders who are known to the ACD not to be Shareholders at the time of the meeting.

18.5 FUND AND CLASS MEETINGS

The above provisions, unless the context otherwise requires, apply to Class meetings and meetings of Funds as they apply to general meetings of Shareholders but by reference to Shares of the Class or Fund concerned and the Shareholders and prices of such Shares.

18.6 VARIATION OF CLASS RIGHTS

The rights attached to a Class or Fund may not be varied without the sanction of a resolution passed at a meeting of Shareholders of that Class or Fund by a seventy-five percent majority of those votes validly cast for and against such resolution.

19 TAXATION

19.1 GENERAL

The taxation of income and capital gains of both the Company and shareholders is subject to the fiscal law and practice of the UK and of the jurisdictions in which shareholders are resident or otherwise subject to tax. The following summary of the anticipated tax treatment in the UK does not constitute legal or tax advice and applies only to persons holding shares as an investment. It is not a guarantee to any investor of the tax results of investing in the Company.

Prospective investors should consult their own professional advisers on the tax implications of making an investment in, holding or disposing of shares and the receipt of distributions with respect to such shares under the laws of the countries in which they may be liable to taxation.

This summary is based on the taxation law and practice in force at the date of this document, but prospective investors should be aware that the relevant fiscal rules and practice or their interpretation may change.

19.2 THE COMPANY

As each Fund is a sub-fund of an open-ended investment company, each Fund is taxed as though it were itself an open-ended investment company.

The Company is exempt from UK taxation on capital gains arising on the disposal of its investments.

Subject to the provisions below, a Fund will be subject to corporation tax at a rate equal to the lower rate of income tax, currently 20 per cent, on its income from investments after relief for expenses.

A Fund is not subject to tax on dividends and similar distributions from UK resident companies. To the extent that a Fund receives income from, or realises gains on investments issued in, foreign countries, it may be subject to withholding tax or other taxation in those jurisdictions and to UK corporation tax on the income.

If any of the Funds were to have more than 60 per cent by market value of its investments in debt securities, money placed at interest (other than cash awaiting investment), building society shares or holdings in unit trusts or offshore funds or open-ended investment companies with, broadly, more than 60 per cent of their investments similarly invested ("**Bond Funds**"), it is intended that the Fund will distribute its income as yearly interest, which (save in respect of distributions to certain qualifying shareholders) will be paid under deduction of income tax at the lower rate, currently 20 per cent. This amount of income so distributed will be deducted from the income of those bond funds in computing their liability to corporation tax.

19.3 SHAREHOLDERS

Taxation of Distributions

Distributions in relation to income arising to each of the Funds comprise income for UK tax purposes. The type of distribution made by a Fund will depend on its investments. Bond Funds will pay interest distributions as opposed to dividend distributions.

Except for shareholders within the charge to corporation tax (as explained below), dividend distributions will carry a tax credit equivalent to 10 per cent of the aggregate of the distribution and the tax credit (ie one ninth of the amount distributed). UK resident shareholders which are not liable to UK tax on dividends will not be entitled to reclaim the tax credits in respect of dividends. Interest distributions (save in respect of distributions to certain qualifying shareholders) will suffer deduction of tax at the lower rate, currently 20 per cent. UK resident individuals and certain trusts liable to UK income tax will be taxable on the sum of their dividend distributions and associated tax credits but will be entitled to set the tax credits against their UK income tax liability.

UK resident individual shareholders liable to income tax at the higher rate will be subject to income tax on the gross dividend distributions at 32.5 per cent, but will be able to set the tax credit off against part of this liability. In the case of UK resident individual shareholders who are liable to income tax at the starting rate (currently 10 per cent) or the basic rate (currently 22 per cent), the tax credit will match the income tax liability in respect of the dividend distribution and there will be no further tax to pay. A UK resident individual who is not liable to pay income tax in respect of a gross dividend distribution, or any part thereof, will not be able to reclaim the excess tax credit applicable to these distributions from the Inland Revenue.

In the case of Bond Funds, UK resident individuals and certain other shareholders liable to UK income tax will be taxable on the sum of their gross interest distributions received during the relevant tax year, but they will be entitled to use the income tax withheld as a credit against their UK income tax liability. Such withholding will satisfy the liability of starting and basic rate taxpayers to tax on the income. Higher rate taxpayers will have additional tax to pay. If the total income of the shareholder is less than his or her personal allowances, the tax withheld can be the subject of a repayment claim.

Shareholders within the charge to corporation tax will receive dividend income or interest as the case may be. Where the relevant Fund's gross income is not wholly derived from franked investment income, part of any dividend distributions will be reclassified as an annual payment received by shareholders after deduction of income tax at the lower rate, currently 20 per cent. Such shareholders will be subject to corporation tax on the grossed-up amount of the annual payments but will be entitled to a credit for the tax treated as already paid. Details of the proportions of distributions comprising franked investment income and annual payments will be shown on the tax vouchers.

Shareholders subject to corporation tax will receive their interest distributions net of lower rate income tax, currently 20 per cent. Such shareholders will be subject to corporation tax on the grossed-up amount of the distribution, but will be entitled to a credit for the tax treated as already paid.

A shareholder resident in a country other than the UK may be entitled to a payment from the Inland Revenue in respect of the tax credit relating to the dividend distributions to which he or she is entitled and to relief from UK taxes suffered in calculating his or her liabilities. This depends, in general, on the shareholder being a British or Commonwealth citizen, a national of any State which is a party to the European Economic Area agreement, a resident of the Isle of Man or the Channel Islands, or on the provisions of any relevant double taxation agreement between his or her country of residence and the UK.

All shareholders will be sent tax vouchers stating the make-up of their distributions showing in each case their taxable income and applicable tax credits and in the case of Bond Funds showing taxable income and tax withheld.

19.4 TAXATION OF CAPITAL GAINS

Subject to the paragraph below, holders who are resident or ordinarily resident in the UK may be liable to UK taxation on capital gains arising from the sale or other disposal of shares, including redemption and switching between classes of shares. A shareholder who is an individual and who has, on or after 17 March 1998, ceased to be resident or ordinarily resident for tax purposes in the UK for a period of less than 5 years and who disposes of shares during that period may also be liable to UK taxation on chargeable gains.

For a corporate shareholder, indexation relief may be available in calculating any gains (but not losses) thereby compensating for the increase in value due to inflation. For an individual shareholder, the amount of any chargeable gain may be reduced by taper relief the longer the shares have been held. In addition, each individual has an annual exemption, currently £8,500, such that capital gains tax is chargeable only on net gains arising from all sources during the tax year in excess of this figure. Holders who switch between classes will not incur a charge to tax.

19.5 GENERAL

Under the rules for the taxation of corporate and government debt contained in the Finance Act 1996, corporate investors in Bond Funds will be taxed on any increase (or given relief for any loss) in the open market value of their interest at the end of each accounting period and at the date of disposal of their interest as income. The time at which the company holds the shares does not have to be at the same time as the relevant Fund satisfies the 60 per cent test provided that the test is satisfied at some time during the company's accounting period. In addition, corporate investors in such Funds will not be liable to pay corporation tax on chargeable gains on the disposal of their shares. This is because the corporate investors' shares will at that time be treated for tax purposes as a holding of "qualifying corporate bonds", which are excluded from tax on chargeable gains. If at any time in a subsequent accounting period of the corporate investor, the Fund does not satisfy the 60 per cent debt test, the corporate investor will be treated as having disposed of its deemed qualifying corporate bonds and have acquired shares at their market value at the start of the accounting period. Corporate investors should be aware that any capital gains held over on a notional exchange of units in the Fund for deemed qualifying corporate bonds will be treated as realised on a subsequent notional exchange of qualifying corporate bonds for shares which are not treated as qualifying corporation bonds. Individual investors will be unaffected by these rules.

Authorised unit trusts and other open-ended investment companies should also not be affected by these rules: they will be taxed as if they were persons within the charge to income tax, although the rules may apply to investors in such trusts. Special rules apply to insurance companies and investment trusts.

20 WINDING UP OF THE COMPANY OR A FUND

The Company shall not be wound up except as an unregistered Company under Part V of the Insolvency Act 1986 or under Chapter 7.3 of COLL. A Fund may only be wound up under COLL.

Where the Company or a Fund is to be wound up under COLL, such winding up may only be commenced following approval by the FSA. The FSA may only give such approval if the ACD provides a statement (following an investigation into the affairs of the Company) either that the Company will be able to meet its liabilities within 12 months of the date of the statement or that the Company will be unable to do so. The Company may not be wound up under COLL if there is a vacancy in the position of ACD at the relevant time.

The Company or a Fund may be wound up under COLL if:

- an extraordinary resolution to that effect is passed by Shareholders of either the Company or the Fund (as appropriate); or
- the period (if any) fixed for the duration of the Company or a particular Fund by the Instrument of Incorporation expires, or the event (if any) occurs on the occurrence of which the Instrument of Incorporation provides that the Company or a particular Fund is to be wound up (for example, if the share capital of the Company is below its prescribed minimum or the Net Asset Value of the Fund is less than £10 million, or if a change in the laws or regulations of any country means that, in the ACD's opinion, it is desirable to terminate the Fund); or
- on the date of effect stated in any agreement by the FSA to a request by the ACD for the revocation of the authorisation order in respect of the Company or the relevant Fund.

The winding up of the Company or termination of a fund under COLL is carried out by the ACD which will, as soon as practicable, cause the property of the Company or that property attributable to the relevant Fund to be realised and the liabilities to be met out of the proceeds. Provided that there are sufficient liquid funds available after making provision for the expenses of winding up and the discharge of the liabilities of the Company or the Fund (as the case may be) the ACD may arrange for interim distributions(s) to be made to shareholders. When all liabilities have been met, the balance (net of a provisions for any further expenses) will be distributed to shareholders.

The distribution made in respect of each Fund will be made to the holders of shares linked to that Fund, in proportion to the units of entitlement in the property of that Fund which their shares represent.

Shareholders will be notified of any proposal to wind up the Company. On commencement of such winding up the Company will cease to issue shares and cancel shares, and transfers of shares shall cease to be registered.

On completion of the winding up of the Company, the ACD shall notify the FSA that it has done so. On completion of a winding up, the Company will be dissolved and any money (including unclaimed distributions) standing to the account of the Company will be paid into court within one month of dissolution.

Following the completion of the winding up of the Company or a particular Fund, the ACD shall notify the FSA that it has done so. Following the completion of a winding up, the ACD must prepare a final account showing how the winding up took place and how the scheme property was distributed. The auditors of the Company shall make a report in respect of the final account stating their opinion as to whether the final account has been properly prepared. This final account and the auditors' report must be sent to the FSA and to each Shareholder within two months of the termination of the winding up.

21 GENERAL INFORMATION

21.1 ACCOUNTING PERIODS

The annual accounting period of the Company ends each year on 31st October (the accounting reference date). The interim accounting period ends each year on 30th April. The first accounting period will end on 31st October 2006.

21.2 INCOME ALLOCATIONS

Allocations of income are made in respect of the income available for allocation in each accounting period.

Distributions of income are paid on or before the annual income allocation date of 28th February and on or before the interim allocation date of 30th June in each year. A re-investment facility is available.

Distributions of income will be paid by BACS, cheque or any other means agreed between the ACD and the relevant Shareholder from time to time.

If a distribution remains unclaimed for a period of six years after it has become due, it will be forfeited and will revert to the Company.

The amount available for distribution in any accounting period is calculated by taking the aggregate of the income received or receivable for the account of the relevant Fund in respect of that period, and deducting the charges and expenses of the relevant Fund paid or payable out of income in respect of that accounting period. The ACD then makes such other adjustments as it considers appropriate (and after consulting the auditors as appropriate) in relation to taxation, income equalisation, income unlikely to be received within 12 months following the relevant income allocation date, income which should not be accounted for on an accrual basis because of lack of information as to how it accrues, transfers between the income and capital account and any other adjustments (including for amortisation) which the ACD considers appropriate after consulting the auditors.

21.3 INCOME EQUALISATION

Income equalisation will be applied to each of the Funds. An allocation of income (whether annual or interim) to be made in respect of each share issued or sold by the ACD during an accounting period in respect of which that income allocation is made may include a capital sum ("**income equalisation**") representing the ACD's best estimate of the amount of income included in the price of that share.

The amount of income equalisation in respect of any share may be the actual amount of income included in the issue price of the share in question or it may be an amount arrived at by taking the aggregate of the ACD's best estimate of the amounts of income included in the share price of shares of that class issued or sold in the annual or interim accounting period in question and dividing that aggregate by the number of those shares and applying the resultant average to each of the shares in question.

21.4 ANNUAL REPORTS

The annual report of the Company (the "**long form report**") will be published within four months of each annual accounting period and half-yearly reports will be published within two months of each interim accounting period. Copies of these long form reports may be inspected at, and copies obtained free of charge from the ACD at its operating address. These reports may also be inspected at the Depositary's office during normal office hours.

The ACD will issue short reports in relation to the Funds both half yearly and annually. These will be distributed to shareholders before the end of February and June each year.

21.5 DOCUMENTS OF THE COMPANY

The following documents may be inspected free of charge between 9.30 am and 4.30 pm on every business day at the offices of the ACD at Eastgate Court, High Street, Guildford, Surrey GU1 3DE.

- the most recent annual and half-yearly reports of the Company;
- the latest version of the Prospectus;
- the Instrument of Incorporation (and any amending instrument of incorporation); and
- the material contracts referred to below.

Shareholders may obtain copies of the above documents from the above address. The ACD may make a charge at its discretion for copies of documents.

All notices or documents required to be served on shareholders shall be served by post to the address of such shareholder as evidenced on the register.

This Prospectus describes the constitution and operation of the Company at the date of this Prospectus. In the event of any materially significant change in the matters stated herein or any materially significant new matter arising which ought to be stated herein this Prospectus will be revised. Investors should check with the ACD that this is the latest version and that there have been no revisions or updates.

21.6 MATERIAL CONTRACTS

The following contracts, not being contracts entered into in the ordinary course of business, have been entered into by the Company and are, or may be, material:

- the Agreement dated 19th December 2005 between the Company and the ACD;
- the Investment Adviser Agreement;
- the Depositary Agreement dated 25 November 2005 between the Company, the ACD and the Depositary;
- the Administration Agreement dated 5 February 2001 between the Company, the ACD, Ravensbourne Registration Services Limited and Northern Trust International Fund Administration Services (UK) Limited.

Details of the above contracts are given under the heading "Management and Administration" on page 15.

21.7 COMPLAINTS

Complaints concerning the operation or marketing of the Company or any of the Funds may be referred to the Compliance Officer of the ACD at Eastgate Court, High Street, Guildford, Surrey GU1 3DE. If a complaint cannot be resolved satisfactorily with the ACD it may be referred to the

Financial Ombudsman Service at South Quay Plaza, 183 Marsh Wall, London E14 9SR. More details about the Financial Ombudsman Service are available from the ACD.

The Financial Services Compensation Scheme Limited has been established under the rules of the FSA as a "rescue fund" for certain clients of firms authorised and regulated by the FSA which have gone out of business. The ACD will supply you with further details of the scheme on written request to its operating address. Alternatively, you can visit the scheme's website at www.fscs.org.uk or by writing to the Financial Services Compensation Scheme, 7th Floor, Lloyds Chambers, Portsofen Street, London, E1 8BN.

APPENDIX 2

INVESTMENT MANAGEMENT AND BORROWING POWERS OF THE COMPANY

The Company may exercise, in respect of the Funds, the full authority and powers permitted by COLL applicable to non-UCITS Retail Schemes. However, this is subject to the applicable investment limits and restrictions set out in COLL, the Instrument of Incorporation, this Prospectus and the Fund's investment objective and policy.

Save for any investment purchased or transaction entered into for the purposes of hedging (referred to in more detail under the heading "Derivatives" below), the property of the Fund may not include any investment to which a liability (whether actual or contingent) is attached unless the maximum amount of such liability is ascertained at the time when such investment is acquired for the account of the Fund.

In accordance with the investment policy of the Fund, the Fund shall primarily invest in units and shares of collective investment schemes and securities of other investment vehicles such as closed end investment trusts and companies which are transferable securities (described below), which complies with certain requirements under COLL and which are summarised below. The capital property attributable to the Fund is therefore required to consist of such investments although investment in other asset classes is also permitted as set out in COLL as it applies to non-UCITS retail schemes and as specified below. Therefore, the capital property of the Fund may at any time consist entirely of such assets or a mixture of such assets as well as investments of other asset classes described below.

The ACD shall ensure that, taking into account the investment objective of each of the Funds, the scheme property of each of the Funds aims to provide a prudent spread of risk. None of the Funds are expected to have high volatility owing to its portfolio composition or the portfolio management techniques used over and above the general market volatility of the markets of its underlying investments.

Collective Investment Schemes

The property of the Funds may consist of units in collective investment schemes.

Not more than 35% in value of the property of the Fund may consist of units or shares in any one collective investment scheme.

The Fund must not invest in units or shares of another collective investment scheme (the "Second Scheme") unless the Second Scheme satisfies the conditions referred to below.

The Second Scheme must fall within one of the following categories:

- (a) a scheme which satisfies the conditions necessary for it to enjoy the rights conferred by the UCITS directive;
- (b) a scheme which is recognised under the provisions of Section 270 of the Financial Services and Markets Act 2000 (schemes authorised in designated countries or territories);
- (c) a scheme which is authorised as a non-UCITS retail scheme (as defined in COLL) and in respect of which the requirements of Article 19(1)(e) of the UCITS directive are met;
- (d) a scheme which is constituted outside the United Kingdom and the investment and borrowing powers of which are the same or more restrictive than those of a non-UCITS retail scheme; or
- (e) any other scheme which does not fall within any of the above categories and in respect of which no more than 20% in value of the property of the scheme (including any transferable securities which are not approved securities) is invested.

The Second Scheme must also operate on the principle of a prudent spread of risk, it should be prohibited from having more than 15% in value of the property of that scheme consisting of units in collective investment schemes and the participants in the second scheme must be entitled to have their units redeemed in accordance with the scheme at a price which relates to the net value of the property to which the units relate and which are determined in accordance with the scheme.

The Company may invest in shares or units of collective investment schemes which are managed or operated by (or, in the case of companies incorporated under the OEIC Regulations, have as their authorised corporate director) the ACD or an associate of the ACD. However, if the Company invests in units in another collective investment scheme managed or operated by the ACD or by an associate of the ACD, the ACD must pay into the property of the Company before the close of the business on the fourth business day after the agreement to invest or dispose of units:

- (a) on investment – if the ACD pays more for the units issued to it than the then prevailing creation price, the full amount of the difference or, if this is not known, the maximum permitted amount of any charge which may be made by the issuer on the issue of the units; and
- (b) on a disposal – any amount charged by the issuer on the redemption of such units.

Securities

The Funds may invest in transferable securities (as defined in COLL) which are admitted to or dealt in on an eligible market (as set out on page 31). Not more than 20% in value of the property of the Funds may consist of transferable securities which are not admitted to or dealt in on an eligible market or which are money market instruments which are liquid and have a value which can be determined accurately at any time.

Not more than 10% in value of the property of the Funds may consist of transferable securities or money market instruments issued by any single body (however, this rule does not apply in respect of government and public securities).

Cash and Near Cash

The property of the Funds may consist of cash or near cash to enable:

- (a) the pursuit of the Funds' investment objective;
- (b) the redemption of units; or
- (c) the efficient management of the Funds in accordance with its objectives or any other purposes which may reasonably be regarded as ancillary to the objectives of the Funds.

The Manager does not anticipate the Funds consisting of more than 50% of cash or near cash being held by the Funds at any one time. Liquidity may be at the upper end of, or even exceed this range under certain circumstances such as where there are large market movements and/or an exceptional number of redemptions are anticipated or the Funds is in receipt of large cash sums upon the creation of units or realisation of investments.

Cash which forms part of the property of the Funds may be placed in any current or deposit account with the Depositary, the Manager or any investment adviser or any associate of any of them provided it is an eligible institution or approved bank and the arrangements are at least as favourable to the Funds as would be the case for any comparable arrangement affected on normal commercial terms negotiated at arms length between two independent parties.

Government and Public Securities

Up to 100% of the property of the Company may consist of Government and public securities issued or guaranteed by:

- The Government of the United Kingdom; the Executive Committee of the Northern Ireland Assembly; the Scottish Administration; the National Assembly of Wales; or
- The Governments of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, Netherlands; Portugal, Spain, Sweden, Cyprus, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia; or
- The Governments of Australia, Canada, Japan, New Zealand, Switzerland and the United States of America; or
- The European Investment Bank, the World Bank, the European Bank of Reconstruction & Development (EBRD), the Inter-American Development Bank (IADB), the Asian Development Bank, the International Finance Corporation, the Japan Development Bank, the Nordic Investment Bank, the Council of Europe Development Bank, Fannie Mae, Federal Home Loans, Freddie Mac and TVA.

If more than 35% in value of the scheme property of the Company is invested in Government or public securities issued by any one issuer, up to 30% of the scheme property may consist of such securities of any one issue and the scheme property must include at least six different issues whether of that issuer or another issuer.

Money Market Instruments

The property of the Funds may consist of money market instruments which are normally dealt in on a money market, are liquid and whose value can be accurately determined at any time, provided such money market instrument is:

- (a) issued or guaranteed by a central, regional or local authority or central bank of an EEA state, the European Bank, the European Union or the European Investment Bank, a non EEA state or, in the case of a federal state, by one of the members making up the federation, or by a public international body to which one or more EEA states belongs; or
- (b) an establishment subject to prudential supervision in accordance with criteria defined by community law or an establishment which is subject to and complies with prudential rules governed by the FSA to be at least as stringent as those laid down by community law; or
- (c) issued by a body, any securities of which are dealt in on an eligible market.

Not more than 10% of the property of the Funds may consist of money market instruments which do not fall within the above criteria.

Derivatives

The property of the Funds may consist of derivatives or it may enter into forward transactions for hedging purposes.

Derivatives transactions must either be in an approved derivative (being a derivative which is dealt in on an eligible derivatives market as set out on page 33) or an over the counter derivative with an approved counterparty. A counterparty to a transaction in derivatives is approved only if the counterparty is an eligible institution or an approved bank or a person whose permission (as published in the FSA register), or whose home state authorisation permits it to enter into such transactions as principle of exchange.

The underlying assets of a transaction in a derivative may only consist of any one or more of the following:

- (a) transferable security;
- (b) money market instruments;
- (c) deposits;
- (d) derivatives;
- (e) collective investment schemes;
- (f) financial indices;
- (g) interest rates;
- (h) foreign exchange rates; and
- (i) currencies.

A transaction in a derivative must not be entered into if the intended effect is to create the potential for an uncovered sale of one or more transferable securities, money market instruments, units in collective investment schemes or derivatives.

Any forwards transaction must be made with an eligible institution or an approved bank in accordance with COLL.

Deposits

The property of the Funds may consist of deposits (as defined in COLL) but only if it:

- (a) is with an approved bank;
- (b) is repayable on demand or has the right to be withdrawn; and
- (c) matures in no more than 12 months.

Not more than 20% in value of the scheme property may consist of deposits in a single body.

Warrants

No more than 5% in value of the property of any Fund may consist of warrants.

Warrants may only be held if it is reasonably foreseeable that the exercise of the rights conferred by the warrants is will not contravene COLL. Securities on which any sum is unpaid may be held provided that it is reasonably foreseeable that the amount of any existing and potential call for any sum unpaid could be paid by the relevant Fund at any time when the payment is required without contravening COLL.

Spread - General

In applying any of the restrictions referred to above:

- (a) not more than 20% in value of the Fund property may consist of deposits with any single body;
- (b) not more than 10% in value of the Fund property is to consist of transferable securities or money market instruments issued by any single body (subject to COLL 5.6.23R);
- (c) the exposure to any one counterparty in an over the counter derivative transaction must not exceed 10% in value of the Fund property; and
- (d) not more than 35% in value of the Fund is to consist of units in any one collective investment scheme.

The Fund may not invest in warrants or nil and partly paid securities unless the investment complies with the conditions in COLL 5.2.17R.

Borrowing

Subject to the Company's Instrument of Incorporation and COLL (as it relates to non-UCITS retail schemes), the Company may borrow money for the purposes of achieving the objectives of the Funds on terms that such borrowings are to be repaid out of the scheme property of the relevant Fund. The ACD does not anticipate significant use of this borrowing power. Such borrowing may only be made from an eligible institution or approved bank (as defined in COLL) The borrowing of a Fund must not, on any business day, exceed 10 per cent of the value of the property of the relevant Fund.

The above provisions on borrowing do not apply to "back to back" borrowing for hedging purposes, being an arrangement under which an amount of currency is borrowed from an eligible institution and an amount in another currency at least equal to the amount of currency borrowed is kept on deposit with the lender (or his agent or nominee).

Borrowings may be made from the Depositary, the ACD, the Directors or any Investment Adviser or any associate of any of them provided that such lender is an eligible institution or approved bank and the arrangements are at least as favourable to the Fund concerned as would be those of any comparable arrangements effected on normal commercial terms negotiated at arm's length between two independent parties.

Risk Management

The Company may enter into derivative and forward transactions for hedging purposes. The following requirements must be satisfied when entering into a transaction for hedging purposes, namely:

- the transaction must be economically appropriate;
- the exposure on the transaction must be fully covered; and
- the transaction must be entered into for either of the following specific aims:
 - (a) the reduction of risk; or
 - (b) the reduction of costs.

A transaction which is regarded as speculative will not be permitted. A list of the current eligible derivatives markets for each Fund is set out in Appendix I. Further derivatives markets may be added to the list following consultation with the Depositary in accordance with COLL.

A derivatives or forward transaction which would or could lead to delivery of property to the Depositary may be entered into only if such property can be held by the Fund and the ACD has taken reasonable care to determine that delivery of the property pursuant to the transaction will not lead to a breach of the relevant provisions in COLL.

Where a transaction is entered into for hedging purposes and relates to the actual or potential acquisition of transferable securities, the ACD must intend that the Fund should invest in such transferable securities within a reasonable time and the ACD must ensure that, unless the position has itself been closed out, that intention is realised within such time.

The ACD uses a risk management process which enables it to monitor and measure on a daily basis the risk of a Fund's derivatives and forwards position and their impact on the overall risk profile of the Fund. This process has been notified to the FSA in accordance with COLL. The ACD does not anticipate the intended use of derivatives and forwards transactions as set out above to have any detrimental effect on the overall risk profile of the Company or any of the Funds.

Stock lending

The Company or the Depositary may enter into a stock lending arrangement of the kind described in section 263B of the Taxation of Chargeable Gains Act 1992 but only if:

- (a) all the terms of the agreement under which securities are to be reacquired by the Depositary for the account of the Company are in a form which is acceptable to the Depositary and are in accordance with good market practice;
- (b) the counterparty is an authorised person or a person authorised by a home state regulator; and
- (c) collateral is obtained to secure the obligation of the counterparty under the terms referred to in (a) above.
